Our school community experienced a beautiful opening Mass last Thursday. We joined together in prayer and song as one to celebrate the beginning of the school year and to welcome our beautiful prep children. The theme for 2013, Caring for one another, was never more evident than in the way the Year 6’s cared for and gently led their Prep buddies during the Mass. Let us follow their example this year, especially during Lent, by showing genuine concern for the welfare of others.

'A new commandment I give to you, that you love one another: just as I have loved you, you also are to love one another.' John 13:34

These words in the gospel of John give us such a simple direction – love one another just as Jesus does. During Lent we are further called to focus less upon ourselves and more on others. The following reflection invites us to really think about our response to Lent:

It’s easy to give things up for Lent. And most times it’s also beneficial to our health and wellbeing. Nowadays though, the emphasis is not on the giving-up but on the taking-on.
And that’s much harder!!
What extra can I do to make me a transformed person?
What extra can I take on so that by Easter I am a changed person?
I can give extra to Project Compassion. I can improve my prayer life.
But the giving of time to or for someone asks for something that’s hard!

Lord, guide us during Lent, help us to care for one another just as you cared for us. Help us to become transformed through giving of ourselves to others. Amen
Dear Parents

A special thanks to everyone that helped out with our swimming sports on Monday, we were very fortunate to have great weather and a strong turnout of parent helpers that gave up their time to support this event. Congratulations to Michelle Graham for planning, organizing and coordinating the day and thanks to all the staff that worked with her to ensure everything went smoothly.

During 2012 VICROADS conducted an usage survey of the Rosebank Ave school crossing. The survey revealed usage that was well below the required level for ongoing support by VICROADS, this information was presented along with a submission by the school at a recent Moonee Valley Council meeting. After discussion the council has elected to maintain the crossing despite VICROADS removing funding support. The crossing is used by a limited number of families yet provides an important safety presence in Rosebank Ave that we all benefit from. I would encourage everyone using this entrance to the school to use the crossing as often as possible to ensure the council continues to see the value of this service now that VICROADS no longer funds the crossing supervision.

WALKER LEARNING APPROACH
On Thursday 7th March Kathy Walker will be facilitating a parent information session to explain the Walker Learning Approach.
This is a great opportunity to be informed of the approach teachers are implementing at St Vincent de Paul. We urge you to put this date in your diary with more details to follow. The night begins at 7.00PM AND CONCLUDES AT 8.30PM

ASTHMA/ ANAPHYLAXIS PLANS
Parents are reminded to check that they have an up to date Asthma or Anaphylaxis plan lodged with the school and that medication at the sick bay is current and not close to expiry date, if their children requires this medical attention.

Asthma is a condition that can be serious and may require emergency treatment while at school. It is important therefore, to have up to date information about the management of your child’s asthma. Please help us to responsibly care for your child while at school by completing and returning the plan as soon as possible.

WORKING BEE 16TH MARCH

Advance notice: Our first working bee will be held on Saturday 16th March from 9.00am – 12.00pm, it would be great to have a strong turnout of helpers to complete a number of important tasks around the school so please put this date in your diary and come along to lend a hand.

REPLY SLIP – WORKING BEE 3rd MARCH

Family Name: ________________________________
Contact No: ________________________________
PREP ENROLMENT FOR 2014
Preparation is now underway for enrolment for Prep in 2014. It is very important for existing families that they collect the enrolment package NOW AVAILABLE AT THE OFFICE and return with all necessary documentation by FRIDAY 22nd MARCH.

COOK BOOKS
Copies of our school cook book “Food Safari – a legacy of recipes” are available to be purchased for $25 from the school office at any stage. This is an excellent publication that could be used a family resource or as a great birthday gift with a real individual touch for anyone that loves cooking.

PERSONAL PROPERTY
Parents and children are advised that any items of personal property (especially toys/games/cards) brought to school is done so at your own risk. Items lost, damaged or that go missing are the responsibility of the individual that brings them to school.

AWARDS INFORMATION
Please find listed below the names of those children receiving awards at Friday’s Assembly 1st March in the Hall at 11.30 am

CREATING A WHOLE SCHOOL CLAY/MOSAIC MURAL.

Moonee Ponds Creek

Before European settlement the Moonee Ponds Creek was home to the Wurundjeri people of the Kulin nation. 31 Aboriginal sites have been discovered along the creek by an archaeological survey team in 1991. The Creek had an abundance of native flora and fauna. White settlement meant that the indigenous population was moved off and their home lost to them.

In the 1950’s and 1960’s the Board of Works concreted the creek in an attempt to stop flooding. The creatures and plants had now lost their home and they began to disappear. In 1998 a committee was formed to restore the creek. We are lucky enough to have part of the restored creek close to our school. A variety of bird and animal species have begun to return to our creek.

Artist in Residence: Debbie Qadri

The students of St Vincents have been learning about the native flora and fauna found around the creek. Artist Debbie Quadri has been working with each class on clay creations to be put together into a whole school mosaic. It has been an exciting time creating clay animals and plants. Students have enjoyed shaping, imprinting and painting the clay. Debbie has created a blog about our work which can be viewed at: http://mooneepondscreemural.blogspot.com.au

A group of students have been helping Debbie and Ms Williams in the creation of the mosaic. Thank you to Hannah Rutherford, Jacob Paxman, Samuel Connell, Ben Davies, Sarah Rawson and Emily Dunne for their artistic input!!

DONATIONS OF MATERIALS

Families have always been very generous donating materials to use in our art session, such as:

Paper towel, tissues, plastic tubs with lids, coloured tiles, grout, plaster, fabric samples, wall paper samples etc.

These donations can be left at the art room
SPORTS NEWS

SWIMMING SPORTS

Congratulations to all our students on their great participation in the swimming sport on Monday.

Final results were:

1st  564 Points Donovan
2nd  459 Points O’Shea
3rd  458 Points Walsh
4th  424 Points Parker

Congratulations to all Donovan team member. Well done to the O’Shea team for cheering loud to win the Team Spirit Award.

A very BIG thank you to all the parents who came to support the students especially those who helped with lifesaving, judging and scoring.

SVDP SWIM TEAM

Good luck to our team of swimmers (35 students from Year 4 – 6) who will compete in the EDPSSA Swimming Gala on Monday 4th March at Queens Park Pool.

PREMIERS ACTIVE FAMILIES CHALLENGE

The Premiers is encouraging families to get active by participating in 30 minutes of physical activity over 30 days (4th March – 14th April). You are encouraged to join as a family and try and promote a healthy lifestyle together.

Attached in this newsletter is a flyer with more information about the program and prizes your family and the school could win.
Welcome back! After a break we have some new Maths puzzles to test your mathematical powers. Have a go at solving one or more of the puzzles and place your entry in the Prep – Year 3 – Year 6 puzzle box in the main entrance. Every entry wins a prize!

Good Luck!
Miss Pringle

**Year 3 – Year 6 Queue Crazy**

While in a queue Jesse noticed that \( \frac{1}{4} \) of the number of kids in front of him was equal to \( \frac{3}{4} \) of the number of kids behind him. How many kids might be in the queue?

---

The Walking School Bus™ is a fun, safe and active way for children to travel to and from school.

St Vincent de Paul’s has two routes, which are safety audited by Moonee Valley Council.

1. From Loeman Street playground on Tuesday mornings
2. From Napier Park playground (no set day at this stage)
3. OR you can develop a new route

One less car at the school gate is better for everyone’s health and safer for all children entering and leaving school.

So, if you would like to avoid the traffic and have your children join us in walking to school contact Julie Stanley on 0424 496 712 or email juliestanley1@optusnet.com.au. Additional parent helpers also required as we need minimum of two parents walking with the children.
INTERCHURCH COUNCIL EASTER EVENT 18TH MARCH-22ND MARCH 2013
This event is conducted by the Strathmore Interchurch Council and held every two years. Over the 5 days local primary school children in yr 3-4 are given a 60 minute presentation on the real meaning of Easter. Yr 3 & 4 students from our school will be attending.
We have been approached by the Parish to help with this event for the following: making sandwiches and biscuits and helping serve the children a drink and biscuit. Additionally, any parents of yr 4 students are invited to join in the presentation by performing as an apostle. The times of the sessions are 9am and 1pm daily. A number of helpers are required as this is a big event. If you can help in any of these ways, please contact Michele O’Brien on 0419986597 asap.
Thanks

CAN YOU SEW?
As Easter approaches it is time once again to dust off the dress up clothes in preparation for the Stations of the Cross. Some of these well loved costumes need to be spruced up and I was also hoping to make some new costumes which could be used year round for classroom dramatizations of bible stories. I am seeking some helpers to make and mend costumers, either at school or at home. Please contact me if you can help in some way. You can send a note, call the school or email me on annemaree@svstrathmore.catholic.edu.au
Thanks
Anne-maree Milne
(Religious Education Coordinator)

IT IS TIME WE ALL PUT SAFETY BEFORE CONVENIENCE
Please see the attached notice on information that the police provided us about fines.

POSITIVE SPORTS COACHING CLINIC
This clinic is to be presented by Matthew Scholes, who has recently spoken at the AFL National coaches’ conference. Not to be missed opportunity for coaches of ALL sports.
When: Wednesday 13th March – 7.30pm
Where: St Vincent de Paul Primary School Hall
Cost: Gold coin donation to cover cost of hall

Coaches, team managers and parents will all benefit from this presentation. Please RSVP attendance to jamesandkeren1@optusnet.com.au

SCHOOL ZONE PARKING OFFENCES

A ‘No Parking’ sign means that drivers must not stop in the area indicated by the sign unless they are dropping off or picking up passengers or goods. While stopped drivers are not permitted to leave the vehicle unattended, which means they must remain within 3 metres of the vehicle. The driver must complete their task and drive on within two minutes.

Drivers with a disabled parking permit may stop for twice the allowed time.

A driver must not stop in the area shown by the arrows on the sign, even if they are picking up or dropping off passengers. Similarly, drivers must not stop along sections of road marked with a continuous yellow edge line, where older ‘No Standing’ signs are being phased out, but they have the same meaning as ‘No Stopping’.

No stopping on a children’s crossing or Within 20 metres before or Within 10 metres after a children’s crossing
You cannot proceed through the crossing until all people are off the crossing.

Not to stop within 20 metres before or within 10 metres after a sign indicating a bus stop.

You are not permitted to stop or park your vehicle alongside another vehicle that is already parked parallel to the kerb

Penalty
$28

Penalty
$141

Penalty

We all understand that pick up and drop off times around schools are very busy. Do the right thing be aware and be patient.

Signs are placed around school precincts to protect our kids.

Police will enforce breaches of the road rules.

A message from your local police.
What's in your food.

Most parents worry about artificial additives and preservatives, which is driving an increased demand for more 'natural' foods; however misleading claims can make it hard for us to really understand what is good and not so good. In Australia, there are 300 approved additives; they can have various roles from enhancing flavour and taste, to preserving food so that we can get a long shelf life. Unfortunately in today's fast paced world we do rely on the convenience of having ready to go products, and products that can last in the fridge for weeks and sometimes months. Last year, Coles conducted a survey which found 91 per cent of us are worried about eating foods with artificial colours and added monosodium glutamate (MSG). And three out of four of us are avoiding products marked with added colours and MSG.

Over the past couple of years the food industry has responded to consumer demands for more natural foods, so we are now seeing a lot more foods labelled with 'all natural colours and flavours' or 'no artificial additives'. Whilst this is a step in the right direction, we shouldn't see this as a health endorsement. We need to also look at the fat, sugar and salt content of some of these foods before deciding whether it is a healthy option. An example of this are lollies labelled with natural colours and flavours. They use natural colourings such as fruit juice which is good but they are just sugar which is high in calories, low in nutrients and are a dental nightmare.

Trying to avoid all additives unless you have a diagnosed sensitivity is relatively difficult. As long as we are living in a fast paced world where we shop once a week and demand food that doesn't go off after a couple of days we will be consuming some level of additives. And in fact some additives are good such as added vitamins and minerals that help us reach our recommended daily intake. The good news is that it really comes down to how much of them you eat. You don't need to avoid them all together you just need to cut down. Trying not to rely on highly processed foods every day and choosing foods with the least number of additives listed is a step in the right direction.

Some common reactions to additives in individuals that are sensitive can be, behavioural problems in children, headaches, upset gut, asthma, breathlessness, recurrent hives or mouth ulcers, nausea and unexplained fatigue. If you are at all worried that you are sensitive to certain additives you may need to trial an elimination diet. This involves removing all potential problem foods for a period of time to see if symptoms resolve, then slowly reintroducing them to see which ones may be causing the problem.

The most common culprits are your red, blue and yellow colourings such as annatto (160B); tartrazine a yellow colour (102), sunset yellow (110), amaranth (123) and brilliant blue (133). Sulphites can also cause some problems in sensitive individuals; these are numbers 210-213. These are common in dried fruit and wine. Research conducted in 2005 showed that children aged 2-5 years were eating more than the recommended intake of sulphite preservatives possibly due to the number of snack foods that contain fruit such as muesli bars, fruit sticks etc.
Below is a table developed by the RPA Allergy Unit showing the ingredients most likely to cause symptoms. It can be a good idea to get familiar with some of the numbers so that you are not just relying on the claims made on the front of the packages. Other positive steps include limiting the number of particular snack foods that come in packages, cooking more from scratch and choosing foods with the fewest additives on the label.

Information for Parents

The Premier's Active Families Challenge encourages Victorians to participate in 30 minutes of physical activity for 20 days over six weeks. It's free, it's fun and it's part of the Victorian Government's commitment to getting people more active, more often.

It's fun and it's free!

You have received this flyer because your school is supporting your child to complete the Challenge.

Establishing the importance of physical activity during childhood can help ensure lifelong participation with resulting health, social, economic and environmental benefits for individuals and communities.

Now in its fifth year, the 2013 Challenge will be held from March 4 to April 14.

Families that register to participate will be supported with healthy eating and physical activity tips and incentives. You will also receive:

- 20 free YMCA passes
- 15% off at Rebel Sport
- One hour free court hire at Melbourne Park or Albert Park Reserve
- One free child pass to the Melbourne Aquarium
- One free child pass to the National Sports Museum and MCG Tours
- A chance to win great prizes, including Apple iPads and sporting goods vouchers.

The 2012 Challenge was an overwhelming success, with more than 80,000 Victorians participating. This year is set to be even bigger and better.

You can help support your child by joining in the Challenge and being active as a family after school and on weekends.

BetterHealth Channel
Physical activity during childhood can help with:
- Developing a healthier heart and lungs
- Building stronger bones and muscles
- Improving motor skills
- Improving self-esteem
- Reducing stress and anxiety
- Improving school performance
- Improving concentration

The National Physical Activity Guidelines recommend that children aged between five and 12:
- Need at least 60 minutes (and up to several hours) of moderate to vigorous physical activity every day.
- Should not spend more than two hours a day using electronic media for entertainment (e.g. computer games, TV, Internet), particularly during daylight hours.

What can you do to help?
- Be active with your children
- Turn off the TV and computer or limit the time allowed and substitute with a fun activity
- Plan some activities with your children – let them choose
- Find out what the school is doing – ask if they are keeping track of the activity time

Things to consider when being active:
- Be sun-smart when outdoors
- Keep hydrated
- Wear comfortable shoes and clothing
- Know your children’s limits

Suggested activities you can do as a family:
- Walk to school
- Walk the dog
- Bike riding
- Explore where you live – walk a different course direction
- Do the family chores together – shopping, washing the car
- Set up a backyard obstacle course
- Get some chalk and make a downball or hop-scotch court on your driveway
- Play a game of backyard cricket
- Backyard lawn bowls with the balls you have
- Kick-to-kick with the footy or soccer ball
- Wall tennis
- Backyard volleyball with a balloon or keep the balloon up
- Frisbee
- Rebound – throwing the ball against the wall
- Jump rope
- Hula hoop competition
- Hide and seek
- Throw and catch – and take step back when successful
- Head to the local playground
- Fly a kite
- Stand, stretch and walk around during every ad break on TV
- Three-legged races
- Sack races
- Roll a dice and the winning number selects the activity
FAMILY SUPPORT GROUP 2013

The St Vincent de Paul Family Support Group ("FSG") is a sub-committee of the Parish Education Board and reports to the Board on all aspects of its operations. The group has been running for many years and its aims are as follows:

- Provision of meals/ groceries to families in need for a variety of reasons, ie illness, operations, bereavement and babies,
- Provision of cakes/slices for Parish Funerals and Events,
- Cards to families offering support in times of need or celebration (birth of baby, illness, death in family),
- Serving at School or Parish based functions.

This service relies heavily on the generosity of our caring school community. It enhances the strong sense of community and Christian values within our School and Parish. It also provides a great example to our children on how to give selflessly.

With this in mind, all families are invited to contribute to the service if they are able to do so. It is not a huge commitment and will be appreciated greatly by those who receive the help.

Additionally, if you have a particular need or know of a family who may require help, please don’t hesitate to contact myself or your family support group year level representative listed below. All matters are treated with utmost confidentiality. The co-ordination of this service is essential in maintaining privacy for all. Meals etc will be delivered by myself of a year level rep and under no circumstances are meals to be delivered directly to a family, without prior discussion with myself.

This year for the first time, year level reps have been appointed to assist with the smooth operation of the group and to enable a contact person for each year level to be approached in times of need.

The representatives for 2013 are as follows:

Prep: Angela Maisano (Lara) 0408 775 251
Yr one: Lisa Harrington (William) 0400 129 473
Yr Two: Elisa Brasher (Sophia) 0413 032 014
Yr Three: Claire Tennant (Charlotte) 0488 161 171
Yr Four: Karen Doody (Matt) 0419 588 227
Yr Five: Franca Tellefson (Amy) 0414 569 027
Yr Six:

PLEASE NOTE THAT A NEW DATA BASE IS CREATED YEARLY SO EVEN IF YOU HAVE HELPED IN THE PAST, YOU NEED TO COMPLETE THE INFORMATION BELOW AND RETURN TO SCHOOL.
Thank –you for your assistance. We look forward to working with you in 2013. If you have any questions, please do not hesitate to contact me.

Yours Sincerely,

Michele O’Brien 0419986597 / 93314964
