Skoolbag

Skoolbag is a mobile App for St Vincent de Paul Primary School which allows us to communicate directly to parents. It works both on smart phones and smart devices (such as iPads and Android Tablets). Skoolbag is used by the school to send notices and is used by parents to notify the school of children's absences.

Please see enclosed information on how to upload the Skoolbag App.

Working With Children Check

The Working with Children (WWC) is a checking system introduced by the Government in 2006, which helps to protect children from sexual and physical harm. It is now a requirement at St Vincent de Paul Primary School that all parents who work with children in a **voluntary**

capacity at the school have a current Working with Children Check. There is no cost for volunteers apart from supplying a passport style photo.

We require all parents who wish to work as volunteers at St Vincent de Paul to apply for their checks as soon as possible; volunteers include parents who help in classrooms, attend excursions, coach sports teams etc.

Please see enclosed information sheet in regards to the application form.
