Dear Parents,

Thank you for seeking to enrol your child in our School. Our Catholic Faith is the fundamental principle that underpins the making of our community. St Vincent de Paul Primary School is an exciting part of the life of our Parish and we are delighted that you also are considering making this part of your journey.

I'm sure that you are aware and remember, when you asked that your child be welcomed into the community through Baptism, you said you would be both a light to enlighten their way, and would help them to 'know and love God'. As a Parish Community, we also accepted the responsibility to walk with and support you on that journey, and hence the value that we place upon providing a sound and engaging education in our Parish.

To be able to continue to provide a faith filled and loving environment for all who participate in the life of our School I would like to share some challenges with you:

- It is important that we all remember we are a community striving to live out the message of Jesus: - "love one another as I have loved you". To achieve this, it is paramount that we all maintain this vision and standard as a way of life. We therefore expect that you as a family will contribute to the faith life of our Parish. In this way you receive, as you give. We look forward to your involvement both practically and spiritually.
- Our School has been built with the generosity of many families over the years but still requires your generosity to continue into the future. There are many ways in which you will be invited to share in the life of the community. Please consider how you might share in this life.
- Financially, School Fees provide for the day to day running of the School, covering basic on-costs and repayment of loans. The Levies cover classroom and curriculum costs, while the Maintenance Levy allows us to cover the basic maintenance costs that arise from year to year, allowing us to make sure that our facilities are adequately cared for future generations. The Capital Levy allows us to continue to improve the facilities to ensure a sound education for your children. The Government Grants, both Federal and State, cover the wages of the Staff.
- For the continuing future growth and expansion, general maintenance and redevelopment of our Parish, we are reliant upon the generosity of you and your fellow parishioners, through your contribution to Parish Stewardship (formerly called Thanksgiving). Stewardship contributions also cover the day to day running costs of our Parish. Therefore I ask you to seriously consider the expectation of your commitment to your stewardship of our Parish.

We are fortunate to have a wonderful dedicated team within our School, who will provide a challenging and engaging education for your family. I look forward to walking with you as you seek to enrol your child into our School.

With every best wish,

Rev Anthony J Doran PP

St. Vincent de Paul Primary School

School Enrolment Agreement

St. Vincent de Paul Primary School is a school which operates with the consent of the Catholic Archbishop of Melbourne and is owned, operated and governed by Melbourne Archdiocese Catholic Schools Ltd (MACS), where formation and education are based on the principles of Catholic doctrine, and where the teachers are outstanding in true doctrine and uprightness of life.

Terms and Conditions of Enrolment

1. Education services

- 1.1 Catholic education is intrinsic to the mission of the Church. It is one means by which the Church fulfils its role in assisting people to discover and embrace the fullness of life in Christ. Catholic schools offer a broad, comprehensive curriculum imbued with an authentic Catholic understanding of Christ and his teaching, as well as a lived appreciation of membership of the Catholic Church. Melbourne Archdiocese Catholic Schools Ltd (MACS) governs the operation of MACS schools and owns, governs and operates the School.
- 1.2 Parents and guardians, as the first educators of their children, enter into a partnership with the Catholic school to promote and support their child's education. Parents and guardians must assume a responsibility for maintaining this partnership by supporting the school in the provision of education to their children within the scope of School's registration and furthering the spiritual and academic life of their children.

2. Enrolment

- 2.1 You are required to provide particular information about your child during the enrolment procedure, both at the application stage and if the school offers your child a place. Please note that lodgement of the enrolment form does not guarantee enrolment at the school. If the information requested is not provided, we may not be able to enrol your child.
- 2.2 To meet MACS and government requirements, you will need to provide the school with a completed enrolment form including, among other things, the information listed below.
 - evidence of your child's date of birth (e.g. birth certificate, passport)
 - religious denomination
 - previous school reports (if applicable)
 - names and addresses of the child and parents/guardians; telephone numbers (home, work, mobile) of parents/guardians
 - names of emergency contacts and their details
 - specific residence arrangements
 - information about the language(s) your child speaks and/or hears at home
 - nationality and/or citizenship including the visa subclass granted upon entry to Australia (prior to citizenship being granted) where applicable
 - doctor's name and telephone number
 - medical conditions, including immunisation history
 - information on additional learning needs (e.g. whether your child requires additional support in relation to mobility, language, social skills development, welfare needs, challenging behaviours, adjustments to the curriculum, etc.)
 - parenting agreements or court orders, including any guardianship orders.

After lodgement of the enrolment form, school staff may need to request further information, for example in relation to any parenting orders, medical conditions or additional learning needs that you have noted on the enrolment form. In addition, it is often useful for parents/guardians to attend a meeting with school staff prior to enrolment to discuss any additional needs your child may have. An interpreter may be organised, if required.

- 2.3 Subject to any special exercise of discretion by the Board of MACS, the order of priority for enrolment in our school is detailed in the School Enrolment Policy.

3. Fees

- 3.1 The setting of the levels of fees, levies and other compulsory ad hoc charges in MACS schools is the responsibility of the School within the prescribed requirements of MACS, taking into account the allocation of government funds. The School offers a number of methods for paying fees, levies and ad hoc charges to reduce any financial burden and to assist financial planning. If you have difficulty in meeting the required payment of fees, levies and ad hoc charges, you are welcome to discuss this with the Principal of the school.
- 3.2 Parents/guardians are responsible for payment of all fees, levies and charges associated with the student's enrolment and attendance at the School, as contained in the School's Fees, Levies and Charges Schedule provided to parents from time to time. The fees must be paid for a child to enrol and to continue enrolment at the school. The School has discretion whether to allow a child to participate in optional or extracurricular school events, such as paid school excursions or extracurricular activities, while fees remain due and payable.

4. Enrolment under minimum school entry age

- 4.1 The School's enrolment policies and procedures are intended to ensure that, when enrolling students, MACS schools are compliant with relevant Victorian and Australian government legislation. The minimum starting age for a child to be enrolled in a Victorian school is four years and eight months, i.e. a child must turn five by 30 April in the year of starting school. Enrolment of children under the minimum school entry age and pre-Prep programs require approval from the MACS Executive Director (or the delegate of the MACS Executive Director) via the 'Application for Early Age Entry to School'.
- 4.2 In the rare situations where:
- a parent/guardian seeks enrolment of a child under the minimum starting age
 - the principal supports the enrolment of that child at the school
 - the approval of the MACS Executive Director (or the delegate of the MACS Executive Director) for an exemption is required before enrolment under the minimum starting age can occur.
- Approval for early age enrolment will only be granted in exceptional circumstances.

5. Child safe environment

- 5.1 Catholic school communities have a moral, legal and mission-driven responsibility to create nurturing school environments where children are respected, their voices are heard, and where they are safe and feel safe.
- 5.2 Every person involved in Catholic education, including all parents at our School, has a responsibility to understand the importance and specific role they play individually and collectively to ensure that the wellbeing and safety of all children is at the forefront of all they do and every decision they make.
- 5.3 MACS school's child safe policies, codes of conduct and practices set out our commitment to child safety, and the processes for identifying, communicating, reporting and addressing concerning behaviour and allegations of child abuse. These documents establish clear expectations for all

staff and volunteers for appropriate behaviour with children in order to safeguard them against abuse.

- 5.4 Our School has established human resources practices where newly recruited staff, existing staff and volunteers in our school understand the importance of child safety, are trained to minimise the risk of child abuse, and are aware of our school's relevant policies and procedures. Our School also provides ongoing training, supervision and monitoring of staff to ensure that they are suitable to work with children as part of our human resources practices.
- 5.5 Our School has robust, structured risk management processes as prescribed by MACS that help establish and maintain a child safe environment, which involves consideration of possible broad-based risk factors across a wide range of contexts, environments, relationships and activities that children within our school engage in.
- 5.6 Our School, in partnership with families, ensures children and young people are engaged and are active participants in decision-making processes, particularly those that may have an impact on their safety. This means that the views of staff, children, young people and families are taken seriously and their concerns are addressed in a just and timely manner.
- 5.7 Our School's child safety policies and procedures are readily available and accessible. Further details on MACS' and the Catholic education community's commitment to child safety across Victoria can be accessed by visiting:

 - b) standards of dress, grooming and appearance;
 - c) grievance and complaints;
 - d) social media and the use of information, communication and technology systems;
 - e) student behaviour and conduct and discipline of students;

- 7.3 The School has absolute discretion in all of its operational and educational matters and offerings, as determined by its governing body, the Board of Directors of MACS and MACS Executive Director, and subject to relevant delegations to the Principal of the School.

8. Terms of enrolment regarding acceptable behaviour or conduct

- 8.1 Our School is a community that exemplifies the gospel values of love, forgiveness, justice and truth. The School community recognises that everyone has the right to be respected, to feel safe and be safe; and, in this regard, understands their rights and acknowledges their obligation to behave responsibly.
- 8.2 Every person at the School has a right to feel safe, to be happy and to learn; therefore, we aim to:
 - a) promote the values of honesty, fairness and respect for others
 - b) acknowledge the worth of all members of the community and their right to work and learn in a positive environment

- 8.5 The parents/guardians agree to be responsible for ensuring that the student is aware of all Policies and Procedures that apply to the student, including those relating to the student conduct and behaviour and any code of conduct for students, and to actively support the School in the implementation of such Policies, Procedures and codes of conduct.
- 8.6 The parents/guardians agree to comply with any Code of Conduct for Parents/Guardians or other policy implemented by the School from time to time which sets out the School's expectations of parents/guardians who have a student enrolled at the School.
- 8.7 The parents/guardians agree that any unacceptable behaviour by a child, or repeated behaviour by a parent or guardian that, in the school's view, is unacceptable and damaging to the partnership between parent/guardian and school, or otherwise in breach of the Student Code of Conduct or the Parent/Guardian Code of Conduct may result in suspension or termination of the child's enrolment.

9. Terms of enrolment regarding conformity with principles of the Catholic faith

- 9.1 As a provider of Catholic education, the Principal will take into account the need for the school community to represent and comply with the doctrines, beliefs and principles of the Catholic faith when making decisions regarding matters of School administration, including enrolment. Students and families who are members of other faiths are warmly welcomed at our School. However, the MACS Board or its delegates reserves the right to exercise administrative discretion in appropriate circumstances to suspend or terminate enrolment, where it is necessary to do so to avoid injury to the religious sensitivities of the Catholic school community.

10. Terms of enrolment regarding provision of accurate information

- 10.1 It is vitally important that the Principal is made aware of each child's individual circumstances insofar as these may impact upon their physical, functional, emotional or educational needs, particularly where the School is required to provide additional support to the child.
- 10.2 Parents and guardians must provide accurate and up-to-date information when completing an enrolment form and must supply the School, prior to enrolment, any additional information as may be requested, including copies of documents such as medical/specialist reports (where

Provision of requested documentation is regarded as a condition of enrolment, and enrolment may be refused or terminated where a parent/guardian has unreasonably refused to provide requested information or knowingly withheld relevant information from the School.

- 10.3 Where, during the course of a child's enrolment, new information becomes available that is material to the child's educational and/or safety/wellbeing needs, it is a term of the child's continuing enrolment that such information is provided to the School promptly. Non-provision of such information will be treated as breach of these terms and conditions of enrolment.
- 10.4 The provision of an inaccurate residential address or failure to provide an updated residential address for the child will also be treated as a breach of the terms of enrolment.
- 10.5 Any breach of the terms and conditions of enrolment regarding provision of accurate information that is not rectified upon request by the school may result in a suspension or termination of enrolment.

11. Enrolment for children with additional needs

- 11.1 The School welcomes parents/guardians who wish to enrol a child with additional needs and will do everything possible to accommodate the child's needs, provided that an understanding has been reached between the school and parents/guardians prior to enrolment regarding:
 - a) the nature of any diagnosed or suspected medical condition/disability, or any other circumstances that are relevant to the child's additional learning needs (for example, giftedness or an experience of trauma)
 - b) the nature of any additional assistance that is recommended/appropriate to be provided to the child (for example, medical or specialist equipment, specialist referrals, specific welfare support, modifications to the classroom environment or curriculum, aide assistance, individual education programs, behaviour support plans or other educational interventions as may be relevant)
 - c) the individual physical, functional, emotional or educational goals that are appropriate to the child, and how the parents/guardians and the School will work in partnership to achieve these goals
 - d) any limitations on the School's ability to provide the additional assistance requested.
- 11.2 The procedure for enrolling students with additional needs is otherwise the same as for enrolling any student.
- 11.3 As every child's educational needs can change over time, it will often be necessary for the School to review any additional assistance that is being provided to the child, in consultation with parents/guardians and the child's treating medical/allied health professionals, in order to assess whether:
 - a) the additional assistance remains necessary and/or appropriate to the child's needs
 - b) the additional assistance is having the anticipated positive effect on the child's individual physical, functional, emotional or educational goals
 - c) it remains within the School's ability to continue to provide the additional assistance, given any limitations that may exist.

12. Assessment and updates

- 12.1 Various opportunities are provided to keep you up to date with your child's progress. You will receive two comprehensive written reports each year and arrangements will be made for at least one interview where you can discuss your child's development with their teacher. In addition, you can always contact the School to arrange a meeting if you have any concerns or wish to receive an update on progress.

13. Discipline

- 13.1 The School has absolute discretion to determine when student conduct warrants disciplinary action to be taken by the School and that the School may apply disciplinary measures that the School deems appropriate in accordance with the School's Policies and Procedures, and which may include:

14. Termination of student's enrolment by the school

- 14.1 The School reserves the right to require the parents or guardian to withdraw the student from the School or to cancel the student's enrolment at any time if the School reasonably considers that:
- a) the student's behaviour, attitude or conduct to school work, other school activities or while attending school is considered unsatisfactory;
 - b) on grounds of the student's unsatisfactory conduct or performance or for misconduct;
 - c) the student fails to obey the School's Policies and Procedures or any Student Code of Conduct of the School;

 - f) the behaviour or conduct of the parents/guardians towards the School or to any of its staff breaches any Parent/Guardian Code of Conduct;
 - g) if any accounts or fees payable by the parents/guardians are not paid within the School's terms of payment or within the terms of any written agreement between the School and the parents/guardians permitting a later or deferred payment; or
 - h) circumstances exist whereby the ongoing enrolment of the student at the school is considered to be untenable or is not in the best interests of the student or the School.

15. General

- 15.1 This enrolment agreement constitutes the sole and entire agreement between the parents/guardians and MACS in relation to the enrolment of the student at the School.
- 15.2 The parents/guardians acknowledge that MACS may from time to time vary the terms and conditions of this enrolment agreement.
- 15.3 Parents/guardians acknowledge that a student's enrolment at the School and this agreement with MACS may be terminated in event of a material breach of this agreement or the application of one of the School's Policies and Procedures necessitates or permits such termination.
- 15.4 Any warranty, representation, guarantee or other term or condition whatsoever that is not contained in this agreement is excluded and is of no force or effect.
- 15.5 The agreement is governed by the laws of the State of Victoria, Australia.

Management and security of personal information

The school's staff are required to respect the confidentiality of students' and parents/guardians/carers' personal information and the privacy of individuals.

The school has in place steps to protect the personal information the school holds from misuse, interference and loss, unauthorised access, modification or disclosure by use of various methods including locked storage of paper records and password access rights to computerised records. This includes responding to any incidents which may affect the security of the personal information it holds. If the school assesses that anyone whose information is affected by such a breach is likely to suffer serious harm as a result, we will notify them and the Office of the Australian Information Commissioner of the breach.

Access and correction of personal information

Under the Privacy Act and the Health Records Act, an individual has the right to seek and obtain access to any personal information and health records respectively which the school holds about them and to advise the school of any perceived inaccuracy. Students will generally be able to access and update their personal information through their parents/guardians/carers, but older students may seek access and correction themselves.

There are some exceptions to the access rights set out in the applicable legislation.

To make a request to access or to update any personal information the school holds about parents/guardians/carer or children, please contact the school principal by telephone or in writing. The school may require verification of identity and specification of what information is required. The school may charge a fee to cover the cost of verifying the application and locating, retrieving, reviewing and copying any material requested. If the information sought is extensive, the school will advise the likely cost in advance. If the school cannot provide access to that information, we will provide written notice explaining the reasons for refusal.

There may be circumstances where the reason for refusal is not provided, if doing so may breach the privacy of another person.

Consent and rights of access to the personal information of students

The school respects every parent/guardian/carer's right to make decisions concerning their child's personal information.

Generally, the school will refer any requests for consent and notices in relation to the personal information of a student to the student's parents/guardians/carers. The school will treat consent given by parents/guardians/carers as consent given on behalf of the student, and notice to parents/guardians/carers will act as notice given to the student.

Parents/guardians/carers may seek access to personal information held by the school about them or their child by contacting the school principal by telephone or in writing. However, there may be occasions when access is denied. Such occasions would include where release of the information would have an unreasonable impact on the privacy of others, or where the release may result in a breach of the school's duty of care to the student.

The school may, at its discretion on the request of a student, grant that student access to information held by the school about them, or allow a student to give or withhold consent to the use of their personal

information, independently of their parents/guardians/carers. This would normally be done only when the maturity of the student and/or the student's personal circumstances warrant it.
