

FAMILY COMMITMENT at ST VINCENT de PAUL PRIMARY SCHOOL

At St Vincent de Paul Primary School we recognise that parents have chosen a Catholic Education for their children. Therefore, a shared responsibility is accepted for the further development of the Catholic Ethos of the School Community and its physical facilities.

This responsibility is seen as:

1.
 - a) ***Development of Christian values within the family as taught by the Catholic Church.***
 - b) ***Participation at Sunday Mass.***
 - c) ***Seeking out ways to bring the Eucharist into our daily lives.***
2. ***Working together to develop clear and acceptable education objectives and creating an environment which fosters personal growth.***
3. ***Accepting the responsibility to be involved in the school in some capacity.***

It is with this in mind that in accepting a place in the school all families accept the on-going responsibility to be involved in some capacity. Please complete this form committing your family to at least one Support Group for the Year 2023.
