Belief Statements

We value personalised learning by creating opportunities to develop challenging and meaningful learning that encourages student voice, collaboration and responsibility.

We believe that students learn best when Gospel values and Catholic faith development underpin our learning and teaching.

We believe that students learn best in an environment which is respectful, supportive, safe and engaging and that provides opportunities for each person to grow and develop to their full potential.

We believe students learn best when the learning is personalised and differentiated and our learning and teaching is informed by best practice.

We believe students learn best when they develop skills and deepen knowledge which they can apply in the present and the future.

We believe that students learn best when teaching and learning is child-centered and develops the whole child socially, emotionally, physically, academically and spiritually.
