

Newsletter

Thank you so much for the wonderful donations last week. The prep reps are already busy wrapping the lucky dip items- the children are going to love this stall!

SAVE THE DATE- 14th November 11-4pm

2026 Fundraising goal

Our goal in 2026 is to raise funds towards the resurfacing of the senior yard grounds. Your support helps to provide more opportunities for our children to learn, grow and enjoy school life.

Sponsorship

We'd love to hear from any families who own a business, work for an organisation that offers community sponsorships, or has connections that may be interested in supporting our Fete.

Fete stalls

As with previous years, each year level will be assigned a stall for the fete, with the parent reps for that year responsible for assisting the committee with running the stall on the day.

The stall allocations for 2026 are:

Prep Lucky dip and mystery bottles
 Grade 1 Lollies, fairy floss & slushies
 Grade 2 BBQ
 Grade 3 Hair braids and nails
 Grade 4 Carnival game- pluck a duck
 Grade 5 Homemade goodies
 Grade 6 Cake stall

Please reach out to your Year Level reps if you are interested in being more involved.

Later this term we will share more details regarding the fete including ride presale tickets, food stalls, activity areas and lots more!
